

I International Conference

Innovation in Teaching: New Methods and Tools for Teaching the Classical Languages
(*Inovação Docente – Instrumentos e Ferramentas na Investigação das Línguas Clássicas / Inovación docente. Instrumentos y herramientas en la investigación de las Lenguas Clásicas*)

Center for Classical Studies (CEC-FLUL)

Faculty of Letters, University of Lisbon

3-4 December 2018

At a time when in most western countries the field of Classics is going through a crisis, which is manifest in the reduced number of students both at school- and University-level, it is urgent to rethink teaching and learning methods. In this context, the conference *I Congresso Inovação Docente – Instrumentos e Ferramentas na Investigação das Línguas Clássicas / Inovación docente. Instrumentos y herramientas en la investigación de las Lenguas Clásicas*, aims to contribute to a better understanding of the situation, and also to stimulate and disseminate new approaches to the teaching of the classical languages and cultures.

The conference is organised by the Centro de Estudos Clássicos (Faculdade de Letras, Universidade de Lisboa) in collaboration with other Iberian universities, namely:

Universidad de Alicante

Universidad de Almería

Universidad de Cádiz

Universidad de Extremadura

Universidad de Granada

Universidad de Las Palmas de Gran Canaria

Universidade de Lisboa

Universidad de Málaga

Submission of Abstracts

Abstracts should be sent as Word files by May 15, 2018, to the following email address:

inovacaodocente@letras.ulisboa.pt

The Scientific Commission will select up to 24 abstracts based on the level of their argumentation and originality.

Abstracts should include:

Author's name

Affiliation

Email address

Title

A summary of up to 300 words

A brief CV of up to 300 words

All abstracts will go through a peer-review process.

Authors of accepted abstracts will be notified by June 20, 2018.

Papers should not exceed 20 mints.
