Taiwan program

After a semester of virtual collaboration, our Math and Education students and faculty traveled in December to Taiwan for a hands-on teaching experience with their new friends from the National Chiayi University Teacher's College and the National Taipei University of Education.

Study Abroad Fair

We had a successful [Education Abroad Fair](#) in January, where we highlighted many of our partner programs. Students from Nürtingen-Geislingen University represented their institution and talked about the experience of studying in their university. If you would like the students you send to Stockton to represent your institution at future fairs or at our weekly Study Abroad 101 sessions, please let us know. We will continue the weekly sessions all semester, and will have another fair in September.

Our students

Our international students, both our exchange students from partner universities and our degree-seeking students, have been very busy! Our Advisor for International Student and Scholar Services, Yibin Feng, has a full schedule of events for them this semester, including information sessions, a meet and greet reception, and trips to Philadelphia, Washington, DC, and New York City.

Nominations

We welcome your nominations for the academic year 2024/25. Please fill out [this form to nominate students](#) by March 15 for the fall semester and by October 15 for the spring. This email will also have our updated brochure that you can share with your students. If you have questions about your students or about the nomination process, please contact Mr. Yibin Feng at Yibin.Feng@Stockton.edu.

If you would like to set up a virtual meeting to discuss student or faculty exchanges, updating agreements, or developing joint projects, please email Dr. Patty Sagasti Suppes, Director of Global Engagement, at Patricia.Suppes@Stockton.edu. Please also let us know if you're planning to attend NAFSA this year, or if you're traveling in the US. We'd love to host you on our campus..

Upcoming

We are looking forward to an exciting semester here at Stockton. We will have visits with representatives from some of our partner institutions, both on campus and at the AIEA conference. We are also planning a new look for our web pages and a makeover for the office, be on the lookout for new photos!
